

SANDY ROLLMAN  
ovarian cancer  
foundation

Every year, the Sandy Rollman Ovarian Cancer Foundation, Inc. funds research to find a cure for ovarian cancer, a screening test for early detection, breakthrough treatments and improve the quality of life for those living with ovarian cancer. Special consideration is given to those researchers in the state of Pennsylvania. However, we welcome submissions from all cutting edge ovarian cancer researchers. Below is a list of previous research projects funded by the Sandy Rollman Ovarian Cancer Foundation, Inc.
